

Parental Supervision

Parents/guardians **MUST** remain at the oval with their children at all times.

NO child is to be left unattended from Tiny Tots through to 17s age groups (excluding U20 athletes).

If your child is in the care of another adult, please ensure you remain contactable at all times in the event of injury or changes to finishing times.

Parental Etiquette

Our club relies on the support of parents to help create a positive and enjoyable Little Athletics experience for all athletes.

Please remember:

- All committee members and helpers are **volunteers**
- This is Little Athletics, not the Olympics
- Athletes should be encouraged to be their best, not the best
- Friday nights are for fun
- Program times are approximate only, as delays may occur. **There is no set finish time.**

As a club we have a duty of care, not only to our athletes, but to our committee members and parent helpers also.

If you have a concern or disagree with a decision, please raise the matter with a committee member in a respectful manner.

Abusive or disrespectful behaviour will not be tolerated and may result in you being asked to leave the ground.

- **🚫 No Smoking or Vaping – Smoking and vaping are strictly prohibited on the field and anywhere in the vicinity of children.**
- **🚫 No Alcohol – Alcohol is not permitted at the athletics venue at any time.**
- **🚫 No Dogs – Dogs of any size are not permitted on the track or in competition areas (including all field event areas) at any time.**
