

"To strive with honour"

Parental Supervision & Etiquette

Parental Supervision

ALL Parents, Carers & Guardians MUST remain at the oval with their children for the entirety of competition nights.

NO child is to be left unattended from tots to 17's age groups.

If your child is left in the care of another adult, please always ensure that you're contactable in the event of an injury, emergency or change in finishing time.

Parental Etiquette

At Little Athletics we understand that parents want their kids to shine. We would also love parents to do the same. You can do this by remembering the following:

- Committee members and helpers are all volunteers.
- Little Athletics is junior competition - It's not the Olympics.
- Athletes should always be encouraged positively.
- Friday night competition is meant to be FUN for the kids.
- We often have delays in the program which are usually out of our control. There is no set finish time on a Friday night for this reason.

The Club has a duty of care to its Athletes, Committee Members and parent helpers. If you have a concern, or disagree with a decision, please raise it with a Committee Member in a respectful manner after competition has completed. **Any abusive or disrespectful behaviour will not be condoned by the club.**
