

Parental Participation & the Family Duty Levy

For the 2026/27 season, a \$50 Family Duty Levy applies to families with athletes registered in the 6s - 17s age groups. This levy does not apply to Tiny Tots or Under 20 athletes.

 One parent or guardian must create a member profile on the RevSport registration portal and pay the \$50 Family Duty Levy.

Family Duty Requirements

- 1 child registered: **4 duties**
- 2 or more children registered: **8 duties**

Duties must be completed on different competition nights throughout the season.

Once the required duties have been completed, the \$50 levy will be refunded. If the required duties are not completed, the levy will not be refunded.

Registration Packs will not be issued until the Family Duty Levy is paid.

Emu Plains Little Athletics is a volunteer-run club, and parent helpers are essential to the successful running of our competition nights. Parent helper duties may include assisting Age Managers with events, retrieving equipment, raking the long jump pit, or helping in the BBQ or canteen. Every contribution helps ensure our athletes enjoy a safe, fun, and well-organised competition.

Without sufficient parent helpers, Friday night competitions may be delayed or, in some cases, unable to proceed.

A link to the family duty Sign Up will be emailed to families closer to competition starting.
